Causes of WWI
Militarism
leads to competition and bad feelings
when countries complete for bigger and better military
countries want to use their military
Systemof Alliances
when two or more countries make an agreement to support each other
when one country starts a war, the other country or countries are pulled in because of their alliances
two countries unite to take over another country
Imperialism
when one country controls another
countries who have taken over others think they are better- leading to poor foreign relations
countries who were taken over want freedom
Nationalism
pride in one's country
people with nationalism want to defend their country in time of war
people with nationalism think they are better than others they may attack other countries
